

Relay Class of 2024 Commencement

Saturday, June 29, 2024

RELAY / GSE
GRADUATE SCHOOL *of* EDUCATION

WELCOME

CLASS OF 2024, CONGRATULATIONS!

As you embark on a new chapter in your journey, today marks a huge step towards a promising future of positive impact in your communities. We celebrate the accomplishments and academic achievements of our phenomenal graduating class and program completers.

As you pass the baton to the educators that are coming behind you, we hope you remember that the entire Relay community is cheering for you as you set forth to do wondrous things in this world. Today, you have joined a powerful and growing national network of alumni who are committed to championing educational equity and providing limitless opportunities for all children to succeed.

Tomorrow, you will wake up and go back to the urgent and important work of educating the next generation of leaders. When you do, it's our hope that you'll consider Relay your first stop for support.

Be proud of all that you have accomplished to get to this moment. You deserve to be celebrated for all the effort and dedication you invested. **Congratulations!**

ALUMNI WELCOME

Graduates,

Congratulations Class of 2024 on your graduation! This is an amazing accomplishment. You have successfully navigated the rigors of academia and have persisted to the finish line! On behalf of the Alumni Affairs team here at Relay, we want to officially welcome you to alumni hood where you will join a network of over 20,000 alumni who are dedicated to improving the quality of life for students through the power of education. Although your time as a Relay student has come to an end, you are forever a part of the Relay Nation. As alumni, we want you to stay connected to the institution and we want to hear about the great impact you are making in the classroom. Here are some of the ways you can stay involved with the Relay community as an alumni.

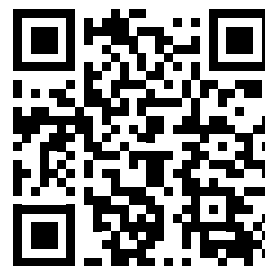

Stay connected with Relay through our newly created Relay GSE Alumni Group on LinkedIn. This LinkedIn group will serve as a support community for Relay alumni to engage in meaningful conversations relevant to education and expand their professional network. Some key features of this group include job postings from many of Relay's partner schools and organizations, information related to both Relay's Teacher Preparation and Professional Education programs, and the opportunity to provide input as we grow our alumni offerings.

Another way to stay connected with Relay is through our Alumni and Student Advisory Council. The Alumni and Student Advisory Council (also referred to by its acronym ASAC) is Relay's principle organization whose primary purpose is to work toward the continuous improvement of the Institution by soliciting students and alumni opinions on programs and practices at the institution, organizing and sponsoring social, cultural, civic and academic events to improve the quality of life for graduate students, fostering interaction across identity markers, disciplines and campuses, and facilitating communication between graduate students and the administration. ASAC members meet monthly and improve the quality of the Relay experience by engaging in national feedback and decision-making policies and activities with the Relay community.

Additionally, you can serve as a tutor in the Learning & Resource Center. The Learning & Resource Center (formerly known as the Writing Center) is Relay's academic and career support center geared toward providing educational resources that promote student success through assistance in all writing submissions, lesson planning/practice, mock interviews, and resume building.

Lastly, be sure to stay in the know of all Relay alumni affairs by following us on Instagram at @Relaysealumni or contacting us via email at alumni@relay.edu. Once again we would like to congratulate you on accomplishing this milestone in your life and remember the Relay Nation is always here to support you!

Sincerely,
Relay GSE Alumni Affairs Team helped support

ACKNOWLEDGEMENTS

To the families and friends who helped support our graduates throughout their time at Relay Graduate School of Education;

To the rest of the Relay team for their guidance and fortitude;

To the presenters and speakers for inspiring the Class of 2024;

To the institutional partners, school districts, charter schools, and principals that have supported our degree candidates;

To the Relay GSE Commencement Planning committee members, for your leadership and support;

To the graduates themselves, for being the committed, passionate, and hard-working individuals who sharpen our iron;

And to the PK-12 students represented here, who inspire all of us to bring our best selves every day.

THANK YOU!

THANK YOU

We want to encourage you to please share any photos to the following social media handles and tag @RelayGSE #RelayCommencement2024
